

Mrs. M Lawrence  
23 E Tallulah Dr  
Greenville, SC 29605

Please do not impose such a  
steep rate for energy. I am a  
senior with a limited income.  
I am not homeless or hungry  
but I worked hard to have  
social security and a limited  
health care program because I  
cannot afford real healthcare.  
This letter protests Docket No. 20011-271-E
